Shelter Enterprises, Inc. NYSDEC Air State Facility Permit Application

Shelter Enterprises, Inc. has submitted an application to the New York State Department of Environmental Conservation (NYSDEC) for an Air State Facility Permit to replace an Expired Permit previously issued to the facility which does not include any facility modifications. A Public Participation Plan has been developed in accordance with NYSDEC Commissioner Policy 29, Environmental Justice and Permitting (CP-29). The purpose of this meeting is to inform the public about the project and to involve the community during the NYSDEC permit application review process.

Agenda:

- Facility Overview
- Background
- Application Information
- Community Impacts
- Mitigation Measures
- Questions and Answers

Your Attendance is Important!

Project personnel will be available to answer questions from the community. For additional information on the proposed project:

- Contact: Dustin Pusatere by phone at 518-237-4100 or by email info@shelter-ent.com
- Visit the repositories at www.shelter-ent.com

Contact the project liaison to request reasonable accommodation for a disability or interpreter services in a language other than English, so that you can participate and/or to request a translation of any of the event documents into a language other than English at least 2 weeks prior to the meeting.
